Income tax: 15% tax over the nominal returns

Fiduciary Website

Objective: The Fund aims to allocate a minimum of 95% of its assets to the Absoluto Partners Master FIA Fund ("Master Fund"), which, in turn, seeks to provide its shareholders with capital gains over the medium to long term by investing primarily in equities, without pursuing high correlation, through fundamental analysis and investment in companies with sustainable growth. **Target Audience:** The Fund is exclusively intended for qualified investors, as per CVM Resolution 300/2002. **Disclaimer:** This is merely an informative report for fund dissemination. Absoluto Partners does not engage in the distribution of investment funds and other securities assets. Investing in investment funds carries risks, including significant losses, which may be greater than the principal invested, especially when the market capitalization of the shares rises to provide additional returns, compared to potential profit losses. Consider, in assessing such risks, that the Master Fund employs derivative strategies as an integral part of its investment policies, and may engage in transactions exceeding its assets, without pre-established limits. Investment funds do not benefit from guarantees from the administrator, manager, any insurance mechanism, or the Credit Guarantee Fund (FGC). Past profitability does not ensure future results. The disclosed profitability is not net of taxes, nor of performance adjustments or entry and exit fees that may be applicable. For evaluating the performance of an investment fund, it is advisable to analyze a minimum of 12 (twelve) months. Equity funds may be subject to significant concentration in assets from a few issuers, with associated risks. Although all investment funds of Absoluto Partners undergo annual audits, this report may contain unaudited data and information. Please read the Essential Information Document available, the Regulation, and other Fund documents before investing. Documents are available at www.absolutopartners.com.br, on the fiduciary administrator's page, and, if applicable, according to regulation by the Securities and Exchange Commission (CVM) page. **Also:** Shareholders can contact contato@absolutopartners.com.br. **Supervision and Oversight:** CVM. **Citizen Service:** www.cvm.gov.br. Despite the care taken in preparing this document, Absoluto Partners does not assume responsibility for any accidental disclosure of inaccurate information, nor for investment decisions made based on this material. Performance has been calculated since the inception of the fund on 08/04/2019, with a change in the Manager to Absoluto Partners Gestão de Recursos Ltda. on 08/12/2019. The indexes IMAB 5+ and IBOV were only used as a reference for the analysis. The performance fee of the fund is calculated over the IPCA + IMAB 5+. Market Cap, Liquidity, and Concentration data are sourced from the Manager. Information gathered is as of the month and year of this document. The Absoluto Partners FIC FIA I fund has suspended new investments (closed).
